FILE: 90-4

SUBJECT: Expanded OC Reporting of Technical Threat
Information ☐

25X1

1. Though OC has instituted numerous positive procedures to execute its responsibility delegated from the DCI for communications security, the expanding global hostile threat environment calls for additional countermeasures. To better fulfill its COMSEC mission, OC personnel will be called upon to expand their reporting of technical threat information. In addition, threat information affecting communications will be analyzed and the threat environment will be evaluated on a continuing basis.
